SEEV 16

Simply better hydration - with BODDELS.

BODDELS products are as versatile as you are - whether you need a practical bottle for sport, a modern carafe for your dining table or high-quality vacuum mugs and vacuum flasks when you're on the go. BODDELS adapts to your lifestyle and makes staying hydrated an easier and more colourful experience.

HEET 12

As a company hailing from northern Germany, we always consider optimal quality and functionality to be top priorities. Premium materials and first-rate production methods make BODDELS products robust and long-lasting companions in your day-to-day life.

Enjoy hydration!

BPA-free Tritan bottle
(flavorless and odorless)

Lock and Carry - Anti-leak technology

One-hand use

Drinking bottle EEN

400 ml

600 ml

Simple, practical, reliable: the BODDELS EEN bottle is ideal when you're on the go, with a 400 ml or 600 ml capacity. Whether you are at the gym, in school, at work or on a trip, this innovative bottle made of 100% BPA-free Tritan lets you drink with one hand and is absolutely break-proof. The reliable lock prevents it from opening inadvertently and offers additional leak protection.

The BODDELS EEN bottle adapts to your lifestyle and is available in different colours and two sizes. Staying hydrated can really be that simple and versatile.

Dimensions: Ø 7,5 cm / Height 17,4 cm (400 ml), 23,4 cm (600 ml)

Weight: 165 g (400 ml) / 195 g (600 ml)

Material: Tritan, PP, silicone

Lock and Carry - Anti-leak technology

Fold-out mouthpiece

Drinking bottle TWEE

500 ml 800 ml

This stainless steel TWEE bottle is a true allrounder. Still water, juice or lemonade? Spice up your drinking routine and carry your favourite beverages wherever you go.

Unlike many other bottles, the BODDELS TWEE is made of premium double-walled stainless steel and can even hold carbonated drinks. It also keeps its contents cold or warm over a long period of time. The BODDELS TWEE is perfect for fresh lemonade, tea and coffee. The stainless steel body is tasteless and adapts to suit your drink tastes.

Dimensions: Ø 7,1 cm, Height 26 cm (500 ml) / Ø 8 cm, Height 31,5 cm (800 ml)
 Weight: 320 g (500 ml) / 430 g (800 ml)

Keeps contents cold up to 8 hours

One-hand use

Easy-to-clean

Easy-grip silicone rings

Vacuum mug KOFFJE

370 ml

Practical and classy, for use at home, in the office or on the go: the BODDELS KOFFJE mug. Never skip a morning without coffee? Or is freshly brewed tea more rather the drink of your choice? No matter where you get your energy to start the day, with the BODDELS KOFFJE vacuum mug your drinks stay hot for longer - and in a sleek, modern design.

And if you prefer something a bit cooler, this vacuum mug is made of double-walled stainless-steel and reliably keeps liquids cold, too, making BODDELS KOFFJE your ideal companion on both hot and cold days.

Dimensions: Ø 7,3 cm / Height 20,4 cm

Weight: 310 g

Material: Stainless steel, PP, silicone

Easy-to-clean

Keeps beverages hot/cold for longer

Removable stainless steel sieve

Practical ceramic lid

Dishwasher-safe

Easy-grip silicone rings

Glass mug SEEV

380 ml

Simply prepare and enjoy tea - with the BODDELS SEEV glass mug! The SEEV glass mug made of quality double-walled borosilicate glass keeps beverages hot for much longer than a conventional tea mug. The removable sieve made of stainless steel is perfect for preparing loose tea. The colourful silicone ring ensures a comfortable and non-slippery grip. The ceramic lid can be used for additional isolation or as a dish for the sieve. The SEEV glass mug and its parts can be cleaned by hand or in the dishwasher.

Whether at home or at work - enjoy hot, freshly brewed tea for long with the BODDELS SEEV glass mug!

Brush set PLEEG

3-part set

Cleanliness is important for our health. To ensure that you enjoy your BODDELS products for a long time and that your drinks really remain healthy, we've put together a special brush set for optimal, easy cleaning. The three-part set is suitable for all BODDELS products, whether they are glass, plastic or stainless steel. Use the big bottle brush to clean the inside of your BODDELS with ease. The long straw brush is perfect for cleaning the straw in the BODDELS EEN. And finally, the detail brush gets into even the smallest nooks and crannies of the caps.

Bottle brush: Dimensions: 35 x 6 cm, Weight: 75g
 Straw brush: Dimensions: 27 x 2 cm, Weight: 10g
 Detail brush: Dimensions: 11 x 2 cm, Weight: 10g
 Material: PP, TPR, nylon, stainless steel
