FOR TOUGH JOBS

NEBO

MASTER SERIES

FL750

FL1500

FL3000

HL1000

SL25

PL500

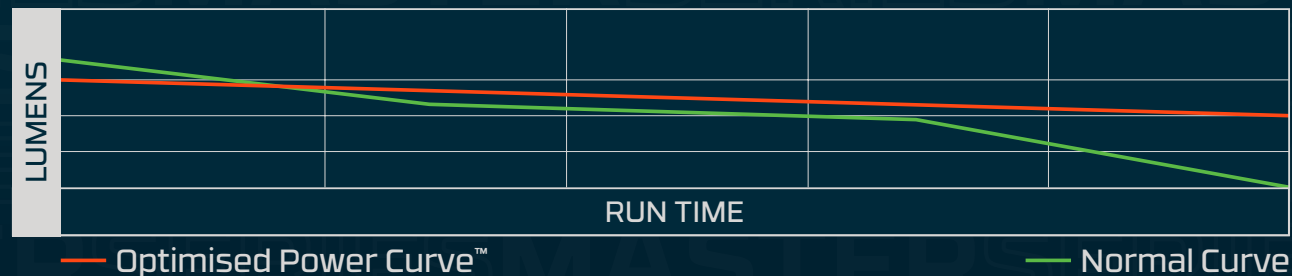

Rugged construction, increased reliability, and consistently bright LEDs means these lights can take whatever you dish out — at the jobsite or for a home project.

THE TECH

THE GEARS AND GUTS THAT GET IT GOING

You've heard it said, "Work smarter, not harder." At NEBO, we ask, "Why can't you do both?" That's what makes the MASTER SERIES different — durable, rugged design coupled with intuitive, feature-rich innovation. Designed for those who put their gear to the test, and who need their tools to work as tirelessly as they do. When the work gets tough, the tough get working!

Optimised Power Curve™ efficiently utilizes battery power to provide a steadier and more consistent light beam.

Smart Power Control™ creates a seamless transition through light modes to extend battery life.
