

NEBO[®]
ILLUMINATE POSSIBILITIES

POWER RANGE

In our modern age, the freedom to not be constrained is stronger than ever before.

Like you, we seek to live life on our terms while integrating technology to enhance our experiences.

That's why NEBO has developed a complete line of power solutions that are reliable, rugged and built for adventure.

Whether you are seeking the peace of mind that comes with being prepared for the unexpected or seeking the liberation of being untethered from the grid, NEBO's line of jump starters and power stations will help empower your life with smart features, wireless charging and fast charging.

NEBO[®] 5K POWER BANK 5,000mAh

With a robust 5,000mAh battery capacity, the NEBO Power Bank ensures you stay charged throughout the day. Keep your smartphones, tablets, headphones, and more powered up and ready for action. Featuring two USB-A ports, and a USB-C port making it easy to charge multiple devices simultaneously. Share the power with friends and family or charge your phone and tablet at the same time, all with lightning-fast speed.

NEBO

RAMBLER™ 100 POWER STATION MULTI-VOLTAGE POWER PACK

The Rambler 100 is a hand-held, portable power station that is ready to go wherever you may roam with USB and wireless charging capabilities. Built with a rugged, impact-resistant body that is stylish enough to be a companion to power your laptop or smartphone at the coffee shop and durable enough to keep up with demands of the trail and campsite to power your lantern, headlamp, flashlight, or drone. With 96.2 watt-hours of power, it packs a lot into a compact design that also meets the guidelines for a carry-on approved item so you can stay powered up at the terminal and 30,000 feet.

DESIGN FEATURES

- Rechargeable (AC, DC, & solar capable)
- 5-way multi-device charging (2 USB-A, 1 USB-C, Wireless)
- Solar + home + car input charging
- Pass-through charging
- Smart Battery Protection & Smart Charge Technology
- Broad device compatibility
- Floodlight (White, Red, & Red Flash)
- Colour LCD display
- Carry-on approved (meets TSA & FAA regulations)
- Rugged construction with protective port covers
